## WEB SITE

We are excited and happy to announce a brand new web site for Sunrise Mountain Village! To view, please go to [www.sunrisevt.com](http://www.sunrisevt.com). We are featuring a new, streamline look, with up-dated pictures, relevant news and events at Sunrise, and email addresses with the sunrisevt.com extension. Please add all sunrisevt.com email addresses to your contacts list.

The owner's login page will require a password to enter. We will send you your association user name and password in the upcoming week. In the meantime, the web master is finalizing the security and archived documents for each association.

Here is a sample of the new changes:

- Web cam window of the Sunrise Chair lift
- Current Accu-Weather window
- Forms to request maintenance services & association questions
- Form for High Altitude Adventures reservations
- Easy-to-find recent postings for community news
- Area resource links

Our new email addresses are as follows:

**Rich Kolb: [generalmanager@sunrisevt.com](mailto:generalmanager@sunrisevt.com)**

Community and operational questions and comments.

**Chris Hughes, Maintenance: [maintenanceservices@sunrisevt.com](mailto:maintenanceservices@sunrisevt.com)**

Maintenance service requests, project quotes or job status questions.

**Cary Thorp: [accounting@sunrisevt.com](mailto:accounting@sunrisevt.com)**

Questions regarding invoices, statements, banking, owner accounts, and accounts payable.

**Kate Jackson: [office@sunrisevt.com](mailto:office@sunrisevt.com)**

General information questions concerning Sunrise Mountain Village, vendor access notification and Comcast services.

## CVPS SMART POWER

The CVPS Smart Power® is CVPS's "smart grid" solution to modernizing and automating the electric grid. It's part of a nationwide initiative that is taking advantage of federal funding to bring our current electric grid up to date with today's smarter, more reliable technologies. CVPS will be installing new meters this month for all community units, and we will be there to ensure a smooth transition. Please go to [www.cvps.com/smartpower](http://www.cvps.com/smartpower) to find out more information about this energy upgrade.

## SHA BOARD OF DIRECTORS MEETING

We have scheduled an SHA Board of Directors meeting for March 20th, at 7:30 pm. As part of the revised Vermont Condominium Association rules, anyone who is a homeowner is entitled to participate in the meeting. If you would like to attend by telephone, please contact us so we can provide you with the proper password and agenda for the conference call.

## Donna Walker: [propertyservices@sunrisevt.com](mailto:propertyservices@sunrisevt.com)

Unit property management services including inspections, alarms, key distribution, hot tubs, deck shoveling, unit warm-ups, and special requests

## Chris Hughes, Sunrise Café: [sunrisecafe@sunrisevt.com](mailto:sunrisecafe@sunrisevt.com)

All business, reservations, and special events for Café

## Alice and Gregg: [HAAatours@sunrisevt.com](mailto:HAAatours@sunrisevt.com)

Information and reservations for High Altitude Adventures

We would like to thank Kate Jackson for her efforts in working with a local web site company, and making the new site a valuable resource for homeowners to use on a daily basis for all seasons.

We look forward to hearing your comments about your new Sunrise community web site!

## SUNRISE CAFÉ AND HIGH ALTITUDE ADVENTURES

As the season starts to wind down, we would like your feedback about the new Sunrise Café and the HAA, while the experience is still fresh in your mind.

We are looking for feedback on the quality of food and service, hours of operations, prices, suggestions for next year operation, and any criticism or suggestions you may have for the Café. If you have not dined at the Café yet, this coming month would present a great opportunity to assess this community amenity. If the Café does not meet your needs, please let us know why not. What can we offer to make this amenity more appealing to you? If you have come for lunch or dinner, thank you and please come again to provide us with your helpful feedback. Our desire is to serve our community better, and your input will count!

## KILLINGTON EVENTS

Killington Resort is offering some fun events for the month of March. The Nor'Beaster is a ten day celebration of spring in the mountains featuring concerts, competitions, soft snow, sunshine and more. Check the Killington Web site for more information and tickets. [www.killington.com/winter/activities/mountain\\_events/%20snowmont](http://www.killington.com/winter/activities/mountain_events/%20snowmont)

From March 23rd to the 25th, Pico will be hosting the Tweed River Music Festival, featuring "American roots style music".

More information and tickets can be found on the [www.tweedrivermusicfestival.com](http://www.tweedrivermusicfestival.com) web site.

With all these fun events, and finally some snow, we hope to see you thru the month of March and into April!
