

DOGS

It is a Killington town and Sunrise community policy that dogs be under control by leash in the Sunrise community. It is against Killington and Sunrise policy to walk dogs on ski trails (Sundog) during ski hours.

Dog waste must be picked up and disposed of properly. No one wants to snowshoe, alpine ski, cross country ski, play in a snowbank, shovel, plow, or mow through your dog's pile of poop. Please respect your neighbors, snow enthusiasts, and maintenance staff by cleaning up after your dog.
