

# TRASH AND BEARS

**TRASH MUST BE IN TRASH SHEDS BETWEEN 7:00 AM & 12:00 NOON.**

**All trash, including recyclables, must be bagged, and tied securely.**

**Loose trash is not permitted in the community trash receptacles.**

**All boxes must be broken down, unless they contain only cleaned bottles, plastics, and cans specifically for recycling.**

**If you are leaving Sunrise after 12:00 noon or need trash disposal outside of this time frame, it is imperative to call the office to schedule a pick-up.**

**Bears are awake, out of hibernation, active, and very hungry. The trash drop-off times are an important safety precaution for homeowners, guests, pets, and staff.**
